are the hallmarks of Armstrong Dermatology," says Dr. Armstrong. "I am excited for people to experience the brand-new facility as well as to introduce a new physician joining our team, Dr. George Bondar."

### A stellar staff

In private practice since 1997, George Bondar, DO, has advanced training in cosmetic and dermatologic surgery, including Moh's surgery, which is considered the most effective surgical treatment for skin cancer. A veteran of the Persian Gulf War, as well as Operations Iraqi Freedom and Enduring Freedom, Dr. Bondar serves both his country and his patients with great dedication.

Joining Drs. Bondar and Armstrong at the new facility will be nurse practitioner Cheri Morales, ARNP, offering Fraxel® laser skin resurfacing as well as many other cosmetic treatments, and licensed medical aesthetician Maggie Rubenstein, who is experienced with Thermage® therapy for skin tightening and contouring.

Whether patients seek medical or aesthetic dermatology services, Dermatology Specialists of West Florida offers a state-of-the-art solution in a warm and welcoming environment. **FHCN**—Brenda Klettke
